

## Nomination of AAI Officers and Board of Directors

The Nominating Committee requests the assistance of the membership in the selection of active members to serve on the Board of Directors of the Association. Each member selected will be carefully considered by the Committee. A final slate of candidates, to fill vacancies by the advancement of officers or the expiration of terms of office held by Directors, will be nominated by the Committee at the Annual Meeting.

Each candidate will be contacted by the Committee Chairperson or Co-Chairperson to ascertain his / her qualifications and interest to serve in the office of which he / she has been nominated. In addition to qualifications, experience, and activity in the Association, along with a willingness to actively participate in the governing of the Association and to devote time and effort in pursuing its goals and objectives, should be of primary importance when considering candidates. This will greatly assist the Nominating Committee in presenting a slate of officers.
