

Important Information

Initial Registration will be held from 7:45 a.m. to 8:25 a.m. The seminar will start promptly each day at 8:30 a.m. and should conclude each day at 5:00 p.m. The Seminar Attendees will have a one hour and thirty minute lunch break each day and lunch will be on your own. Refreshments and snacks will be provided.

Shrimp Boil

On Tuesday, October 18, 2011, the Alabama Association of Arson Investigators and Fire Marshal's Association of Alabama will have a Shrimp Boil dinner at the Community Center. Each Seminar Attendee will receive a ticket for the Shrimp Boil. A Social Hour will be held prior to dinner. Additional tickets can be purchased for \$25 per person.

Accommodations

A discounted rate has been obtained from Brett/Robinson Vacation Rentals and reservations can be made by contacting 1-800-211-7892. Condo and Hotel Suites are available through Brett/Robinson Vacation Rentals. Also, Hotel accommodations can also be made with Fairfield Inn and Suites by Marriott located at 3111 Loop Road, Orange Beach, AL. A standard room is \$89 per night or \$109 per night for a suite. You can make reservations by calling the Hotel at 1-251-543-4444 or at www.marriott.com/pnsob.

Vendors

We will once again have Vendors at the seminar this year. This is a great way to learn of new products and services in the industry and network with the Vendor representatives.

of Alabama

**TRAINING
SEMINAR**

October 17, 2011 - October 20, 2011
Orange Beach Community Center
Orange Beach, Alabama

Seminar Schedule

October 17, 2011

LIAR LIAR FACE ON FIRE - DETECTING DECEPTION IN SUBJECTS, SUSPECTS, VICTIMS AND WITNESSES

Major Pendarakis (Ret.) has served the law enforcement profession for more than 30 years. She has taught hundreds of local, state, federal and military law enforcement officers as well as private sector investigators the art of reading body language, interpreting verbal and non-verbal cues and perceiving deception by studying a person's facial expressions and eye movement. Techniques for interviewing and interrogating subjects, suspects, victims and witnesses are integrated with the study of body language to help investigators develop skill at detecting deception.

Tania Pendarakis
Athena Training Solutions

October 18, 2011

FORENSIC EVIDENCE COLLECTION - FROM THE FIRE SCENE TO THE COURTROOM

This presentation will outline the importance of the proper evidence collection and preservation techniques, as well as, summarizing the techniques the forensic laboratory utilizes while processing fire debris evidence.
